Experience

Co-chair, I-TESOL@Penn, University of Pennsylvania

December 2014-May 2016 Philadelphia, PA

- Coordinated a group of four co-chairs to organize activities about online language teaching
- Designed posters to promote the organization
- Developed a Wordpress website for the organization
- Documented the activities with photographs and video

Designer, Chinese Students & Scholars Association at Penn

September 2014-December 2015 Philadelphia, PA

- Brainstormed ideas and designed tickets, posters, and flyers to promote student events

Intern, Educational Testing Service

July 2015-August 2015 Princeton, NJ

- Authored English questions for an internationally administered English language test

Selected Projects

Improving Children's Literature Collection, SI 501, University of Michigan Ongoing

- Conducted contextual interviews to find out the problems regarding the accessibility of a newly built collection at the library of Washtenaw Community College
- Brainstormed solutions for improving the accessibility

The Dragon Scrolls, Design of Learning Environment Course, University of Pennsylvania

January 2016-May 2016 Philadelphia, PA

- Designed a mobile game for learning Chinese characters
- Made a high-fidelity prototype of the game

Haley Tricycles Redesign, Art of the Web Course, University of Pennsylvania

January 2016-May 2016 Philadelphia, PA

- Conducted research about Haley Tricycles, a local business
- Used card sorting, personas, and story boards to brainstorm ideas for improving Haley Tricycle's website
- Made wireframes, low-fidelity prototypes, and mockups for the redesigned website
